(iv) Could reasonably be expected to disclose the identity of a confidential source, including a State, local, or foreign agency or authority, any private institution, or a Bank, which furnished information on a confidential basis, and, in the case of a record compiled by criminal law enforcement authority in the course of a criminal investigation or by an agency conducting a lawful national security investigation, information furnished by a confidential source;

(v) Would disclose techniques and procedures for law enforcement investigations or prosecutions, or would disclose guidelines for law enforcement investigations or prosecutions if such disclosure could reasonably be expected to risk circumvention of the law; or

(2) The Finance Board shall make a reasonable effort to estimate the volume of redacted information and provide that information to the requester unless providing the estimate would harm an interest protected by the exemption under which the redaction is made.

(3) The Finance Board shall indicate the estimated volume of redacted information on the released portion of the record unless providing the estimate would harm an interest protected by the exemption under which the redaction is made. If technically feasible, the Finance Board shall make the indication at the place in the record where the redaction is made.

(c) *Public interest.* The Finance Board may disclose records it has authority to withhold under paragraph (a) of this section upon a determination that disclosure would be in the public interest.

(2) Subject to §910.9(f), within 20 working days of receipt of an application for appeal meeting the requirements of paragraph (a)(1) of this section and any extensions of time under paragraph (a)(3) of this section, the Finance Board shall determine whether to grant or deny the appeal and notify the requester in writing of the determination, the name and title or position of the person responsible for the determination, and the provisions for judicial review of this final action under 5 U.S.C. 552(a)(4).

(3) In unusual circumstances, the FOIA Officer may extend the time limit in paragraph (a)(2) of this section for a period not to exceed 10 working days by notifying the requester in writing of the reasons for the extension and the date on which a determination is expected.

### §910.9 Fees.

(a) *Fees.* Except as otherwise provided in a statute specifically providing for setting fees for particular types of records or in this section, the Finance Board shall assess against each requester the direct costs of responding to a request for records.

(1) If the records are requested for a commercial use, the direct costs are limited to the reasonable operating costs the Finance Board incurs to search, review, and duplicate records.

(2) If the records are not requested for a commercial use and the requester is an educational institution, non-commercial scientific institution, or representative of the news media, the direct costs are limited to the reasonable operating costs the Finance Board incurs to duplicate records in excess of 100 pages.

(3) If neither the request nor the requester is described in paragraphs (a)(1) or (2) of this section, the direct costs are limited to the reasonable operating costs the Finance Board incurs to search in excess of two hours and duplicate records in excess of 100 pages.

(4) For purposes of this section, the term:

(iv) *Representative of the news media* means a requester who is actively gathering information that is about current events or would be of current interest to the public for an entity that is organized and operated to publish or broadcast news to the public.

(b) *Fees when no records are provided.* The Finance Board may assess a fee for the direct costs of searching for a requested record the Finance Board cannot locate or if located, determines to be exempt from disclosure under §910.5.

(c) *Interest.* The Finance Board may assess interest at the rate prescribed in 31 U.S.C. 3717 on any unpaid fees beginning 31 days after the earlier of the date of the determination under §910.4 or the date a fee statement is mailed to a requester. Interest shall accrue from such date.
